

Dommerich Elementary School Advisory Council (SAC)

The Dommerich Elementary School Advisory Council (SAC) is a group of parents, faculty, staff and community members working together to ensure the success of our school. All interested teachers and parents are invited to join. Meetings are open and parents are welcome to attend without becoming a voting member.

What is SAC? The primary responsibility of SAC is to assist the principal in developing and evaluating the School Improvement Plan. SAC reviews school performance, provides an opportunity for the community to make their opinions known, and approves an action plan that contributes to our success as an A+ school.

SAC meetings are the place to learn more about what is happening in the classrooms, current trends in education, new legislation, school board decisions and much more. All SAC meetings are held in compliance with Florida's Sunshine Laws.
